SOS INTERNATIONAL
RECRUITING CONSULTANT
LIC. NO. 3103 / MUM / 1000+ / 5148 / 98 / INDIA

MESSAGE FROM THE PRESIDENT

It gives me immense pleasure, pride and joy to inform you that we have completed 32 years of Establishing SOS International. The idea was mooted far away in Saudi Arabia to help professionals from India to get better opportunities in the best of the companies in all countries across Gulf.

SOS International was launched in Mumbai 32 years ago has been since at the fore front providing opportunities in all sectors and offering quality Man Power services to major companies. Since, we have placed more than 50 thousand professional in various companies bringing in peace, happiness and joy to millions of homes across India.

The economy across all gulf countries is booming with more and more requirements from various companies are opening up.

I also take this opportunity to all our clients for their trust and confidence in us and we assure them we continue to provide quality and professional services.

Mr. G. Sirajuddin
PRESIDENT

COMPANY PROFILE

SOS - Search Opportunities Service, Is a Indian government recognized professional recruitment agency with 1000+ License permission to recruit unlimited numbers of professionals. A Manpower Consultancy services company was established by a dynamic entrepreneur, Mr. G. Sirajuddin, More than Three decades ago to provide employment opportunities to Indian professionals across the world. In the past 30 years, more than hundred thousand professional are placed in various companies around the world and still growing, SOS International committed to services.

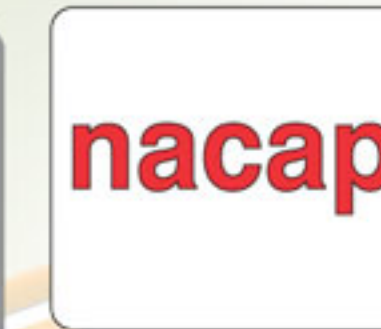

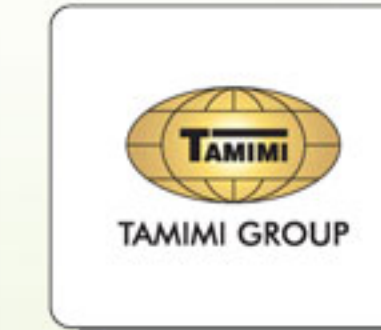

Today SOS International is a name to reckon with in Manpower recruiting niche. The very fact that we serve more than 100 national & multinational companies in Saudi Arabia, UAE, Kuwait, Oman, Qatar meeting their manpower requirements in as diverse fields as Oil Exploration, Construction, Software, Contracting, Hospitals and in as varied categories as Software, Civil, Mechanical, Electronic Engineers and other technicians is a testimony to our commitment levels, proficiency, efficiency to deploy competent manpower cutting across industries, companies and firms.

We have built up over 30+ Years of experience in this highly competitive field and One of our core areas of expertise is the provision of recruitment and management consultancy, and We provide quality Service and value by structuring high impact teams which consist of professionals with exceptional abilities that not only fit the clients business needs, but are needful of the social and cultural environment of the Middle East.

We establish a trust-based relationship with our clients, and then work hand-in-hand with them to implement their requirements - whether brainstorming new ideas, assisting with the set-up of new operations, undertaking restructuring or activating expansion plans. Whatever our clients' needs we have a policy of continuous improvement and constantly strive to better ourselves in the workplace by adhering to a series of global 'best practices'.

As part of our recruitment and management consultancy expertise, we offer the following services to our clients in the Oil and Gas, Banking and Finance, Engineering, Manufacturing, Shipping and Logistics, Consumer Products, Legal, Healthcare, Education, Information Technology and Service sectors etc.
